

MARGE OEHLKE

CO-WORKERS

In actuality, I found that through, how can I say, maybe a gaining or keeping my integrity and continually wanting to do well, and to be a continual learner as well, I have gained the respect of my male coworkers, and in turn, yes, I have had some male coworkers who have mentored me in the past and, have shown me, you know, direction of where I need to go in my career and to you know, how can I say, and actually get a wealth of knowledge that helped me in my career.
