

## **JOYCE OLVERA**

### **FAMILY LIFE**

It was a lifesaver for me: I had, uh, four kids and, um, when I got a divorce, uh, it was-it was my job. It was all there was. So, uh, the kids, um, were all in school at that point. So, it was-without the Postal Service, I don't know what I would have done. Uh, as I said, I love the job, like the people and the people contact. So, um, if I had it to do over again, I would do it all again, but I would start at a much younger age. Or, I could've stayed longer, or course.
