

## Bibliography of Colorado Postal History References

### Key references for the serious Colorado postal history collector

Bauer, William H., *The Colorado Postal Encyclopedia*, (Colorado Postal History Society, 1998 to date) This is the "bible" for serious Colorado postal history collectors. At over 10,000 loose leaf pages, it is a comprehensive listing--by Colorado county, then towns alphabetically--of post office history and tracings of their post marks.

Bauer, William H., Ozment, James L., & Willard, John H., *Colorado Post Offices 1859-1989*, (The Colorado Railroad Museum, 1990).

Jarrett, David L., *Colorado Territorial and Pre-Territorial Postmarks*, (Collectors Club of Chicago, 1976). In slip case, with Colorado map. The map is excellent.
